SUMMARY

I am Sagnick Das, currently pursuing a B.Tech in Computer Science and Engineering with a specialization in Data Science at MCKV Institute of Engineering. With a CGPA of 8.23, I have a solid academic foundation that complements my hands-on experience in full-stack web development. My passion lies in exploring the realms of data science, machine learning, and neural networks, where I strive to leverage my skills to solve complex problems and create innovative solutions. I am dedicated to continuous learning and am always excited to take on new challenges that push the boundaries of my knowledge and capabilities.

PROJECTS
